NOTE: There will be a Test Case Execution Chart for every active test suite.

- The dotted lines at the end represent the trend for total test cases executed. It is projecting the total test cases executed 5 days into the future.
- In future versions, the chart will be scaled to fit the “Planned” execution over time.

ACTION ITEMS:

1.

2.

Etc.....

SMOKE TEST:

AS of xx/xx/xx, XX: XX AM ET, UAT Environment is ready for test.
